

## Woolden Hill Primary School

### SPORT IN SCHOOL QUESTIONNAIRE Jan 2017 ANALYSIS of 117 pupil questionnaires completed in Key Stage 2

*All questionnaires gave very positive responses to all the questions.*

*We have included a sample of comments.*

- *New sports coach put in place from September 2017*
- *Additional sports clubs put in place following the in place questionnaire*
- *Staff cpd on specialist sports provision put in place*
- *Greater involvement with inter and intra sports competitions and events*
- *Partnerships with local sports development groups and Discovery Schools Academy Trust for further competitive sports and enrichment opportunities*
- *From September 2017, lunchtime staff were restructured so that all lunchtime roles outside the serving of dinner were play leaders to encourage and facilitate sport and physical activity*

#### **Do you enjoy sport, PE and swimming in school?**

100% of KS2 children - 'Yes.'

#### **Explain your reasons.**

*'I like it because it's getting active, keeping you healthy and it's fun.'*

*'We have fun and learn new skills to help us get even better.'*

*'I enjoy it because we get to show teamwork.'*

*'They are fun, and in swimming it helps my courage like when I did diving I was quite nervous but slowly I got the courage to do it.'*

*'In some lessons you have to work as a team and that builds up teamwork in a fun way - I feel like I have developed my skills a lot more.'*

*'It keeps me fit and helps me burn calories. I also like it because it gives me fresh air when we are outside. It I always fun and I always enjoy PE.'*

*'We do a mix of sports and learn new skills. Also we develop teamwork, plus we go to competitions and meet new people.'*

*'I like learning new things and I like pushing myself to do new sports.'*

*'It makes me open my eyes and become more awake and braver. It encourages me to think about things I've not done before and when I have ago I feel full of energy.'*

*'It's a good way to get outside and enjoy sports. There are lots of different competitions.'*

*'I enjoy sports, when I get in the pool and I'm swimming it makes me feel happy and gets me fit.'*

*'I like it because we use all the values and we have lots of different types of sports and competitions.'*

**Are there any sports that you have taken part in at school that you haven't tried before? What are they?**

- Rugby
- Dance
- Climbing
- Rounders
- Archery
- yoga,
- tennis
- ballet
- cricket
- football
- cross country
- hockey
- karate
- basketball
- skipping,
- 'Race for Life.'

**Have you learned any new skills this year? What are they?**

*'Diving, water skills, lifesaving.'*

*'I can swim with strokes much better.'*

*'Become more confident and built stamina.'*

*'Team work and leadership.'*

*'Skipping skills, like the butterfly and pretzel.'*

*'I've got more confident in goal in football.'*

*'I can swim better on my front and back and I'm more confident.'*

**Do you learn about keeping fit and healthy in lessons? What sort of things have you been taught?**

*'To cook healthy foods.'*

*'Learn about healthy, balanced diets.'*

*'Wash hands properly and how to clean our teeth.'*

*'We had healthy life sessions from a man that came in called Bernie.'*

*'We had Phunky food sessions.'*

*'We are taught to warm up before activities.'*

*'We know about 5 a day and a healthy diet.'*

*'We are taught about it in science.'*

*'The sports ambassadors have told us about the food we should eat.'*

*'I learnt that warming up is most important before you go and do sport. I have also learnt that eating healthy food and eating your 5 a day keeps you very healthy. This has inspired me to eat everything on my school dinner plate even though I don't always like them, although I am now starting to like this food.'*
