Dear Parent / Carer,

Re: Pupil Premium Fund

We would like to take this opportunity to remind parents that the school receives 'Pupil Premium' funding for children who are currently entitled to free school meals, or have been during the last six years.

As part of the pupil premium funding the school has an enrichment fund of £250 that parents can access to use throughout the academic year. As your child qualifies for this funding we would like to share some of the ways that the enrichment fund can be used.

The fund can be used to pay for after school clubs which we encourage as many children as possible to take part in. These after school activities help to build confidence and develop physical and social skills. The fund may also be used to pay for attending the morning breakfast club, after school care, music lessons, school trips or to pay for school milk at break time.

Please complete the attached form if you would like to take advantage of this offer and return the slip to the school office as soon as possible. If you have any queries please do not hesitate to contact me.

This offer is available up until the end of the summer term 2017.

Yours sincerely,

Melanie Knight  
Clerical Assistant &  
Family Outreach Worker
