Mayor of Charnwood's Christmas Card Competition

The Mayor is running Christmas Card design competition! Councillor Colin Hamilton is looking for a new Christmas Card design to send to colleagues and associates.

Competition guidelines:

Open to Children, living in Charnwood, aged 11 and under on 1st September 2026.

The choice of Christmas design should be based on a scene from the nativity, for example it could show the stable scene with baby Jesus in the manger with Mary and Joseph or the angels visiting the shepherds in the fields or the wise men (magi) following the star. By entering the winner is agreeing this artwork can become the Mayor's Christmas Card for 2026.

The piece must be the child's own work. It should be on A4 paper, with a 10mm border. Any media can be used, but NO glitter or other embellishments.

Entries should be sent to:

Mayor's Office, Charnwood Borough Council, Southfield Road, Loughborough, Leicestershire, LE11 2TX.

Stating the artist's full name and age, along with the contact details for a parent/guardian (phone and email). The winners, parent/guardian will be contacted before printing commences.

Deadline for entries is Friday 30th October 2026.

The Mayor will judge the entries w/c Monday 2nd November and the winner will be contacted shortly after.

Their design will then go to print, and distribution will be from the w/c 7th December.

The winner will receive:-

- A framed copy of the Christmas Card along with the original entry
- The Winner and their Family to join the Mayor at the Loughborough Fair Opening Ceremony and Tour of the Fairground Rides on Wednesday 11th November.

Dear Parent/Carer,

IMPORTANT NOTICE TO PARENTS - 2027 SECONDARY TRANSFER

Your child is due to transfer to a new school at the beginning of the Autumn Term 2027. Please note that school place allocation is not automatic. Every parent or carer must apply to the local council where they reside and pay council tax, even if the preferred school is located in a different local authority. If you are unsure which council, you fall under, you can check at www.gov.uk/find-local-council.

You will be able to apply for up to five school preferences, and we strongly recommend using all five options, as there is no guarantee that your first preference will be allocated. For detailed information about schools in Leicestershire, please refer to the local authority's guide: [Your Guide to Secondary Education](#).

The preference order is an important part of the admissions process; it is essential you carefully consider the final preference order of your schools before submitting your applications online at www.leicestershire.gov.uk/admissions by the closing date of 31st October 2026 as it may not be possible to change. Once submitted, you will receive a confirmation email. If you do not receive this, please check your junk/spam folders. If no confirmation is received, you will need to resubmit your application.

Late applications (applications received after 31st October)
Will be processed after all on-time applications are processed, which may significantly reduce the chances of securing a preferred school.

You will be able to view your decision through the parent portal on **National Offer Day** (or the next working day if it falls on Bank Holiday/Weekend).

If you change address before the start of the Autumn Term 2027, this may affect your application outcome. Please notify us by completing the [Contact Form](#), and we will advise you on the next steps if necessary.

Your child's eligibility for school transport will be assessed automatically by the Assisted Transport Service. You will be contacted if assistance can be provided. There is no need to contact the Assisted Transport Service directly. Important transport information is available overleaf or online [here](#).

If you require further assistance, please use the [Contact Form](#) available on our website.

Yours faithfully,

School Admissions Checklist

For primary & secondary school places

Step 1: How to get started - preparing to apply

- ☐ Create a [parent portal account](#) or check you can still log in.
- ☐ Create or change to a password you can remember.
- ☐ Keep a note of the email address you applied with – you must use the same email address to log in later.

Step 2: List your school preferences

- ☐ Include your catchment school in your preferences, or the nearest local school if there is no defined catchment area. This will help increase your chance of securing a place at your nearby school.
- ☐ Maximise your opportunities by listing up to 5 different school preferences.
- ☐ Double check your order of preferences – we always aim to try to offer the highest preference where possible.
- ☐ You must apply to your nearest schools if you wish to be considered for school transport

Step 3: Check your catchment areas

- ☐ Visit your local school website.
- ☐ Contact the school directly to check your catchment area.

Step 4: Review your order of preferences

- ☐ Check your details are correct before you submit your application.

TOP TIPS

1. Check out our [School Admissions webpages](#).
2. Attend open days, visit schools before finalising your choices.
3. Don't assume school transport is available – arrangements can be different from what you expect. More on our [school transport policy and eligibility](#).
4. Remember late applications will be processed after those that were sent on time.
5. Help your child get [school ready](#) if applying for the first time.
6. Download our ["Moving Up" booklet](#) to help anyone transitioning on to secondary school.
7. Choosing one school will not guarantee a place.
8. If none of your preferences are offered, you may be allocated a school further away.
9. Don't assume - boundaries can be different than you expect and in some instances you may live in a catchment with multiple schools.
10. If you make changes or even re-open your application to check your submitted application, you must then click the RESUBMIT button - if you don't your application status is unsubmitted.

Acceptable Use Policy

Dear Parents and Carers,

As part of our ongoing commitment to keeping children safe and supporting them to use technology safely, respectfully and responsibly, we are asking all parents and carers to read the relevant **Acceptable Use Agreement** and complete the attached form for their child. [Woolden Hill Primary School Acceptable Use Agreement 2026 – Fill in form](#)

Please follow the link in the attached form, read the Acceptable Use Agreement carefully with your child where appropriate, and then complete and submit the form to confirm your acknowledgement.

If you have more than one child at the school, you will need to complete and submit the form separately for each child.

Thank you for taking the time to read the agreement and for your continued support in helping us promote safe and responsible use of technology.

Allergies

Please **remember** we are a **NUT AWARE** school, this includes items that may contain nuts!

Letter from Impact Food Group for declaration process within ShoolGrid!

Dear Parent/Carer,

We have an important **update to the allergen declaration process within SchoolGrid**, which may affect your child.

Whether your child is starting school or returning for another year, if they have a food allergy or an allergen-related dietary requirement that you have not yet informed us about, please log in to your SchoolGrid account and complete an allergen declaration form. This is an important step in helping every child eat safely and confidently.

To complete a submission, simply:

- Log in to your SchoolGrid account.
- Go to **Food > Allergens**.
- Select your child's allergy or dietary requirement from the list or provide further details in the text box.
- Upload the required supporting evidence.
- Upload a recent photograph of your child.
- Submit your request for review.

Once your request has been submitted, your child will be placed on a restricted menu while our support team reviews the information. This helps ensure that only suitable meal options are available until the review has been complete.

Following the review:

- Our nutrition team will allocate an allergen menu onto your child's Schoolgrid account, where required, ensuring that suitable meal choices are available. Please note for complex allergen needs this may take up to 10 working days.
- If further information is required, you will receive a notification explaining what is required before the declaration can be approved.

This process must be used for all new allergen declarations and whenever your child's allergen information changes. It ensures that updates come directly from you and are reviewed consistently.

If you need any assistance, please contact Customer Care.

Kind regards,

Customer Care Team

Lost Property

*Our lost property box is located in the school reception. To ensure a swift and efficient return of belongings, **it is essential that all items are labelled with the child's name**. We would like to remind you that at the end of every term, the lost property box will be emptied. To ensure that any misplaced items are returned to their rightful owners, please take a moment to check the box for any belongings your child may have lost.*

Parent/Carer Code of Conduct on the School Run

At Woolden Hill, we do not tolerate any form of verbal abuse or physical violence on our school grounds. This is for children and adults alike. Recently we have shared with Parents/Carers the Discovery Trust's Parent/Carer code of conduct policy, as a reminder of the expectations we have for all community members. Any form of misconduct whilst on school grounds which breach's this policy are taken seriously, especially if it has taken place in front of children and other site users. Depending on the nature of the incident, police may be notified, and the parties involved will be either spoken with by a member of the SLT and/or they will receive a written reminder of what is considered acceptable behavior by the school and trust. In rare and extreme cases, the school has the right to ban Parents/Carers from the school grounds.

If you would like a copy please contact the school office.

Attendance

Our top tips for maintaining good school attendance:

- Create good attendance habits from when your child first goes to nursery.
- Talk to your child about the importance of school for their future.

- Take a positive interest in your child's work, including helping them with homework.
- Help your child to get into a good night-time, sleep time and morning routine.
- Have a good relationship with school, talk to them about about concerns you have and your child's progress.
- Contact school on the first day of absence if your child is unwell.
- Book all holidays in the school holidays and not in term time.
- Book medical appointments after school or during the the school holidays. If you can't make sure your child attends before and after their appointment.

Late Arrivals At School

LATE ARRIVALS AT SCHOOL

When your child arrives late at school, he/she misses the teacher's instructions and the introduction to the lesson.

Your child may also feel embarrassed at having to enter the classroom late.

Minutes late per day during the school year	Equals days worth of teaching lost in a year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

Frequent lateness can add up to a considerable amount of learning lost and can seriously disadvantage your child.

School begins at 8.40am. Please help your child to be punctual.

Online Safety

As always we advise parents to be aware of what your child is doing online and making sure filters are used for sites such as Youtube.

If you are worried by something online or there is an immediate concern that involves safeguarding, please use the **Green Button** on the school website to report it. This goes direct to DSLs and they are monitored during school holidays.
